21 #1 Plaintiffs now Reply to captioned document dated June 5, 2008 of Chief  
22 Magistrate Judge Honorable James Larson.  
23 #2 Plaintiffs note is that as of June 6, 2008 an there is an ORDER REASSIGNING  
24 CASE to Judge Hon.Claudia Wilken and hope that this will mean a fresh review of  
25 what is a new complaint. .  
26 #3 I have read most of the cases cited by Judge Larson from which I  
27 find that based on these cases the California Judicial Council can be  
28 sued and Courts can be sued for non-judicial acts that deprive the  
29 plaintiff's constitutional rights.  
30 #4 I note from the tone of Judge Larson's assessment of the complaint  
31 that there may be some bias / mindset that we all have difficulty  
32 recognizing about ourselves.
